MEET THE MAKER

AS A TEEN, TARA LOVED MAGAZINES AND PAPER ART - CUTTING THEM, PASTING THEM, PUTTING THEM ALL OVER HER BEDROOM WALLS. SOON SHE STARTED COVERING OBJECTS AND CANVAS, LEARNING ORIGAMI, TAKING ART CLASSES - AND GREEN CYCLE DESIGNS WAS BORN.

COME PLAY WITH PAPER! USING AN ASSORTMENT OF INTERESTING PAPERS, TARA WILL SHOW YOU HOW TO TRANSFORM THEM INTO AN "EVERGREEN" BOUQUET OF FLOWERS USING SPECIAL FOLDING TECHNIQUES.
