

# UPCYCLE DAY 2024

## UPCYCLED PROPAGATION PLANTERS with Pamela Tatti

Discover the magic of growing new plants from cuttings. Pam will guide you through creative ways to use upcycled items and found objects to make fun and creative planters and propagation stations.

### ABOUT PAM

Pamela Tatti is an artist, designer and teacher with a BFA in Apparel Design from the Fashion Institute of Technology. Her favorite thing to do is teach sewing and design to students of all ages and skill levels. As Resource Depot's mission is very close to Pam's heart, she is thrilled to be a part of Upcycle day with a talented community of artists.
